2. Project Goals (Mention at least 5)

1 Prepared by: Dipti K. Sarmah

Module 5- Computer Systems (2020-21)

Project

UNIVERSITY OF TWENTE.

What are your team goals for the project? What do you want to achieve? What skills do you want to improve or work?

Example:

- To gain knowledge in Python programming and Raspberry Pi.
- To develop a product that meets all the requirements.
- To gain a better understanding of the concepts taught in this course by applying them to the project
- To improve our teamwork, communication and project management skills.
- To improve our agile development skills with Flexibele Scrum, because it is relevant for projects to have efficient meetings and implementing features.

3. Team Expectations (Mention at least 3 for each of the criteria)

What do you expect from the team members for the a) Participation, b) Meetings, c) Communication, d) Conduct, and e) Conflict

a) Participation (What is your group planning for team participation?):

Example

As a project team:

-We agree not to miss any meeting unless something is very important.

- -We agree to pay attention to each other and give a chance to all the members to speak and share their views.
- -We agree that everyone will make sufficient effort into the project.
- -We agree to never miss deadlines, unless the task is impossible within the time limit.
- -We agree to make plans when everyone is present or will be notified what the planning is.

b) Meetings (What is your expectation from the team for the team meetings?):

Example

As a project team:

- We agree to come to the meetings 5 minutes before the allocated time.
- We agree to prepare ourselves with the ideas, and the tasks to be done before the meeting.
 - -We agree to have at least one meeting per week.
- -We agree to make sure that everyone knows what to do before the next meeting
- -We agree to keep the meetings organized so people won't talk at cross purposes
 - c) Communication (How do you communicate with each other? Any rules for communication?):

Example

As a project team:

- -We agree to follow one/two online tools for communication. (Discord, whatsapp)
- -We agree to decide a venue and time for the physical meetings.
- -We agree to check on all online communications(email, discord and canvas) at least in the morning./ 3 times a day.
- -We agree to be polite with each other while chatting in discord, or speaking in physical meetings.
- -We agree that we all speak the same language for communicating.
 - d) Individual Accountability (What is your expectation level for each individual in your team for fulfilling team assignments, tasks, and accomplishing deadlines?):

Example

As a project team:

-We agree that if a team member does not complete the assigned task in time without

intimating us, this is their responsibility.

- -We agree to communicate our to-do tasks within the team, and if possible we send reminders to each other to have a submission on time.
- -We agree that one should inform other members the progress in tasks everyday.
- -We agree to let the others know when we encounter difficulties with our tasks so they can help out if possible
- -We agree to finish our tasks well before the deadline so we won't run into problems with missed deadlines or last-minute submissions
 - e) Conduct (How do you follow the degree of professionalism within the team and how do you manage if any of the team members doesn't follow the conduct or fails to fulfill expectations?):

Example

As a project team:

- -We will not tolerate rudeness in meetings as it affects the quality of the project.
- -We will be disciplined and honest throughout the project.
- We agree to follow the orange card procedure for a warning to the team member(s).
- -We agree to not interrupt each other when they are speaking
- -We agree to not get angry at each other during the meetings. If someone hasn't done their responsibility we will use the card system instead of getting mad.
- 3 Prepared by: Dipti K. Sarmah

Module 5- Computer Systems (2020-21)

Project

UNIVERSITY OF TWENTE.

f) Conflict (How do you handle or how will you react to team conflicts?):

Example

As a project team:

- We agree to discuss the entire team the problem and mutually find a solution.
- We agree to discuss the problem with our mentor(s) and project coordinator if we couldn't identify the solution.

- We agree to use the card system when the conflict was caused by one of the group members not living up to their responsibility
- We agree to let the team members that started the conflict, figure it out with each other how to solve the problem before the team will intervene,
- We agree to deal with any minor conflicts as soon as they arise to prevent them from growing bigger over time
- 4. Team Agreements (These are the final 10 commitments/rules for your team that you agreed on together and promise to follow these rules during the project, Course: Computer Systems, Module 5 (2021-22).

I undersigned, hereby declare that I have read, agreed, and accepted all the rules and commitments mentioned in this document and will try my best to follow these rules during the project, Course: Computer Systems, Module 5 (2021-22). If the rules are not being followed by us, we will bear the consequences as mentioned.

followed by us, we will bear the consequences as mentioned.
